

Tuesday 12th September 2017

Dear Parent/Carer

Year 3 and 4 are learning all about dinosaurs through their IPC topic, 'Footprints from the Past'.

There is a brilliant opportunity to bring this unit of work to life and allow the children's imaginations to run wild!

On Tuesday 17th October, Y3 and Y4 will be able to climb aboard a time machine and travel back to see and feel what it was really like to be there, in the late Cretaceous, 67 million years ago.

School have subsidised the overall cost of the visit so that there is a reduced cost of **£16.00 per pupil**. This covers travel to Manchester's Event City and the entrance fee! You can either pay in full or by installments with Mrs Robinson at the main office. More information about the visit will follow in the coming weeks.

If you would like your children to visit 'Dinosaurs in the Wild', please complete the attached permission slip and ensure that the **payment has been received before Tuesday 10th October 2017**.

I give my child permission to visit Dinosaurs in the Wild, on Tuesday 17th October.
