Macmillan Coffee Morning for EYFS & KS1 @ 10.30am

Welcome back, all the staff here at Knowsley Lane Primary School are very pleased with the children's work ethic in our first couple of weeks back to school; the children have been keen and ready to learn.

We would like to give a warm welcome to our new Foundation Stage children who started last week. They have settled in very well and have shown our EYFS staff how well they can adapt to a new environment.

Mrs Wilkins, our Modern Foreign Languages Teacher, has started a Reading Club every Wednesday lunch time in our school library. If you would like to join, please call into the school office to put your child/children's name on the list. There is a maximum of 25 spaces, first come first served.

Due to ongoing building work in school, we are unable to start after school clubs until the work is complete. Clubs should be up and running after October half-term. Sorry for any inconvenience this may cause.

Important Announcements

- We have ordered more school uniform and should be with us in the next couple of weeks. We will send out a text message when they are available to buy.
- Years 1, 1&2, 2 and 3, please ensure that you have returned your child/children's nasal flu vaccination consent form by Wednesday 21st September 2016.

Our Foundation Stage and Key Stage 1 children are usually provided with free fruit from the government. Due to an administrative error, they were unable to make deliveries until 19th September. Happily, the Tesco store in Prescot came to the rescue and have donated snack for our children each day. We'd like to give a big thank you to Tesco, Prescot for helping us and providing our children with such delicious fruit.

A big thank you to those children who have been in school every day since returning last week. We have introduced a weekly reward which is presented to the class with the highest weekly attendance each Friday – Full Time Freddie. There is also an award for the class with the fewest minutes late marks – Rapid Rupert.

We are going to be rewarding our 100% attendance pupils each half term in school, with an additional reward for those pupils who achieve 100% for the whole school year.
