Friday 22nd June 2018

Volume 5

This Week's Personal Learning Goal

At Knowsley Lane we are developing enquiring minds.

Do your children demonstrate any of the above attributes of enquiry at home? Please share your examples with us on Class Dojo or Twitter, we would love to see them!

Attendance

Reception	93.4
Year 1	95.9
Year 1/2	92.2
Year 2	93.9
Year 3	93.4
Year 4	93.9
Year 5	95.4
Year 6	98.3
Whole School	94.4

It's that time of year again - Year 6 Prom!

Year 6 pupils would have already brought home a letter regarding their school Leaver's Prom. Please return the slip to Miss Martin or directly to the school office as soon as possible to enable us to complete arrangements.

Event: Thursday 19th July 5pm-7pm

Cost: £10 per child - Can be made in instalments - see school office to arrange.

Payment deadline: Friday 6th July

If you need another copy of the letter they are available from the school office.

Moving Up Day! 2nd July 2018

Moving up day is an exciting opportunity for your children to experience a day in their new class. It's a chance to get a better idea of their new surroundings, new routine and of course get to know their new teacher a little better.

This day is very important for your children as it will help settle any nerves and anxiety and give them something to look forward to coming back to in September!

There is nothing parents / carers need to do differently on the day.

Fathers Day BBQ & Den Building Afternoon

Thanks to everyone who took part in the Father's Day BBQ and den building last Friday. It was a great success, and we saw some amazing imagination and efforts with the dens!

We hope you and the children enjoyed it as much as we did!

Reception Trip to Formby

Luckily the weather held up long enough for Reception to have a fantastic trip to Formby Beach earlier this week.

We had great fun building sandcastles, searching for squirrels and picnicking in the woods!

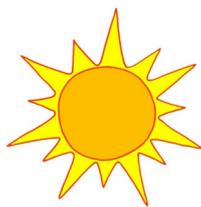

Year 1 Trip To Blackpool Circus

Another fun packed and successful school trip we had this week was Blackpool Circus for Year 1. It was a great way to complete their IPC topic "The Circus is Coming to Town!"

We can't wait for Year 2's chance to experience the same frivolities next week.

Sun Protection & Hay Fever Medicine

The weather is forecast to be extremely hot next week so we would recommend that children bring a hat to wear and a high factor sun cream be applied **before** coming into school. Children who can apply their own cream are welcome to bring it in with them to reapply if necessary - **Staff are NOT permitted to apply sun cream.** Please ensure both items are clearly labeled with your child's name. Any hay fever medicine needed to be given during school hours **must be prescribed by the doctor** and a medicine form filled in at the school office. We appreciate your understanding that these precautions are for the safety and welfare of the children.
