

Tuesday 11th September 2018

Dear Parents/Carers,

Year 3 and 4 will begin their new IPC unit, Chocolate, next week. As part of this unit the children will take part in a 'Senses Laboratory'.

This will require the children to try a number of different types of chocolate.

If any of your children suffer from any allergies that you have not informed the school office of, please make this known to Miss McKeown or Mr Whitehall by Friday 14th September.

Thank you,
LKS2 Staff
