

GENERAL CONSENT FORM

At various times during the year we require parental consent for the following:

- Local outings within walking distance - because these visits are weather permitting we ask you to sign a general consent form to cover these activities.
- Photographs / Videos – during the year photographs are taken of the children taking part in a variety of school activities, sometimes this may be using the school digital camera to be used on displays, school newsletters, school website etc or by a journalist for our local paper. To enable these to be publicised we need your consent.
- Access to the Internet – all the children in school follow our ‘Internet and e-mail access policy’ which is available in school to view and will be on our website when it has been updated.
- A qualified member of staff to change your child should they soil themselves in school.

Please note you can update this consent at any time, by completing a new form (available from the school office).

Thank you
