Year 3 	98%
Year 3/4	94%
Year 4	97%
Year 5	93%
Year 6	92%
Whole School	95%

Well done to Rec B and Year 3 with an impressive 98% attendance since our return from lockdown!

Which class will get the first 100% of the spring term?

KEEP UP THE GREAT WORK!

Welcome back - Eventually!

Well 2021 may not have started how we all wanted, and the beginning of our spring term was very delayed... However, we are so pleased to have welcomed all our children and families back last week. There has been lots of catching up between friends, and enthusiastic learning in class and we are all so proud of the resilience and adaptability shown by our children to the ever changing world at the moment, we are all feeling optimistic about moving forward and having a successful remainder of the school year!

To ensure this is possible, and to keep our community safe, we are pleading you all **continue to follow government guidelines on and off school premises**. Keep your distance, wash hands thoroughly and regularly, and wear a mask in public unless medically exempt.

Thank you for your continued support.

Head lice - Once a week take a peek

We have had reports of reoccurring head lice outbreaks in KS1. While head lice is an annoying problem, **it is not a danger to your child's health**, so there is no need to panic. When a case has been confirmed, it becomes very **important for you to check your whole family for lice immediately and treat as appropriate**. Please know that anyone and everyone can get lice. Getting lice has nothing to do with whether we are clean or dirty, it only has to do with the fact that we are human. In an average school year, more children will "contract" lice than the common cold. If you find any live lice or eggs, it is absolutely necessary to treat each "infected" person.

Please ensure you are checking your child's head regularly, it's recommended 'once a week take a peek'.

Head lice are notoriously hard to eliminate out of schools, however, with regular checks and treatment at home when needed we can keep it to a bare minimum.

For further advice and information please check out this website:

Proud Principal Moment...

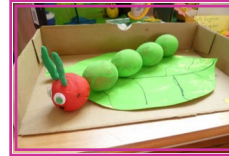

~ Mrs Dilworth

Easter competition time!

It's that time of year when we love to see how creative our children can get with an egg! We want to see your wildest, wackiest designs. Bring your entries in by Wednesday 24th March, ready for judging!

Good Luck!

EYFS—Easter Bonnet parade

Carrying on the Easter fun, EYFS are invited to make an Easter Bonnet at home and wear it to school Friday 26th to take part in an Easter Bonnet parade around school (covid restrictions have been taken into account when planning the event). Again we would like to see the **children's** work, with fun and creativity in mind.

Parents evening phone calls

Don't forget parents' evening!

Due to Covid restriction we still can't have our face to face parents evenings, but instead, class teachers will be making phone calls home to parents after the easter break, to update you on your child's progress and discuss any concerns. Please ensure the office have your correct phone number to ensure you don't miss your phone call.

Easter Film Club

We are running a special film club to raise money towards updating the school library. To kick start the fund raising we are running a special film club! Tickets have gone on sale today via the Arbor App, look for "Easter film club" under clubs tab, if you have any trouble contact the school office. Regis-
ters close on the 23/04/21

Date: 24/03/21

Time: 3:30pm - 5:00pm

Cost: £2.50
