

# Knowsley Lane Primary School

...Giving Children Roots and Wings...

**Friday 17th December**

## Christmas Market ~ Thank You!

Thank you all so much for your understanding and support in our decision to close the Christmas Market to parents and visitors.

The children had a really lovely day, today!

They took part in the Santa Dash, which was amazing! A huge thank you to Miss Martin for organising a wonderful event!

Following the festive dash—the children visited the Christmas Market to play on the games, such as Reindeer Hoopla and Stockings on the Chimney. They enjoyed hot chocolate, listen to Christmas songs and were able to buy some things from the stalls.

A great day was had by all.

Hopefully, we will be able to welcome you back to our whole school events in the new year when it is safe for our whole school community!

Once again, thank you for your understanding!

## Attendance Matters!

Attendance is very important at Knowsley Lane Primary.

Improving school attendance is a key priority for Vantage Academy and its family of schools and the support of our

parents is crucial to achieving our goal. Please remember that attendance is MANDATORY for all pupils unless they are unwell.

If your child/ any member of your household develops Covid symptoms or has been advised to

isolate, you should contact the school office for advice.

## Punctuality

There is an increasing number of children who are arriving late to school. This can be upsetting to the child and can be disruptive to lessons. Please can you ensure that your child is in school

before 8.50 am. The register closes at 9.00 am, if your child arrives after this time, it will be classed as an unauthorised absence and may lead to a fine.

## Head Lice Treatment

We have an increased number of children getting head lice at our school, please follow the below steps to treat and prevent...

### # Proud Principal Moment...

Over the last 2 weeks, I have been spending time looking at the most recent assessment results following the pupils' test week.

I am so proud of how resilient and mature our children are. They demonstrate strong attitudes to learning and are really happy in their classrooms, tackling challenging learning tasks!

Well done to our fantastic pupils and our quality first staff!

~ Mrs. Lord

**Choose self care**

**What can I do to help?**  
Treat head lice as soon as you spot them. Check everyone in the house and treat them on the same day if they have head lice.  
The first step is to try the wet combing method with everyday conditioner.

Treatments available to buy over the counter include head lice combs and medicated lotions or sprays. Always read the information leaflets provided with the medicine before using the treatments on your family.

**When should I see a GP?**  
If you or someone in your family have enlarged glands in the neck, and/or a sticky, weeping scalp. Or if after many attempts, you cannot clear the head lice infestation.

## Festive Events

The children have been enjoying lots of fun festive activities over the past few weeks....

With Christmas fast approaching, we wish you all a safe, healthy and happy Christmas and look forward to welcoming you all back in the New Year!
