## New Year, New Start...

Welcome back, everyone!

We hope you had a marvellous time over the holidays!

We are looking forward to 2022 in Knowsley Lane—continuing to strive for excellence and providing a safe

and happy environment for our school community. Remember that your child's attendance and punctuality is vital to wellbeing and academic progress!

## Role Models on the Playground

It is so important to be an excellent role model for our pupils at all times! We are asking you to support us on this when accessing our playground. Look at the ground rules below:

- **No smoking on the playground**
- **No dogs on the playground**
- **No cycling of bicycles/scooters on the playground**
- **No inappropriate language used**

## Parents' Evening

Parents' Evening appointments are scheduled for the week beginning 14th February. At the moment, given the current transmission rates and guidance for schools, it is very likely that the appointments are going to be continued via telephone. If this changes in the next 3 weeks, we will communicate this with you.

Appointment times will be arranged, via class teachers, at the end of this month.

## # Proud Principal Moment...

This week, some of our School Council members met with Miss Martin to talk about the displays in their classrooms.

The children were really articulate and could describe how the displays help them learn!

Amazing!

Well done, everyone involved!

~ Mrs. Lord

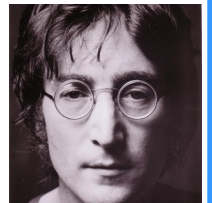

## Upcoming Personal Learning Goal

Over the next 2 weeks, the personal learning goals that we will be focusing on are 'collaborator' and being 'empathetic'.

The key person to represent being a good collaborator will be John Lennon and the key person for showing empathy will be Ghandi.

It would be great if you could support the children to develop their knowledge of the key people and ask them about what they have learned when we study John Lennon and Ghandi in our upcoming assemblies!

## Winter Workout Virtual Competition

It is cold outside and none of us feel like working out as much as we should. Therefore, I want you to send us your fun workout ideas for inside the house.

It can be anything from a type of exercise, a circuit session or a new fun way to keep us active. For example: dancing, sit-ups or even climbing the stairs.

You could even show us a challenge, for example: walking up the stairs 69 times is the equivalent of climbing The Blackpool Tower.

You have until **Wednesday, 16th February 2022** to send us your videos.

**Please send them to school via our email: [klpoffice@vantageacademies.co.uk](mailto:klpoffice@vantageacademies.co.uk)**

## After School Clubs

Our Spring Term After School Club programme begins next week and will run until **Thursday 7th April**.

If there are any available spaces in any of the clubs, this will be communicated to parents via text message throughout the term.

If any clubs need to be cancelled, due to exceptional circumstances, parents will be informed as soon as we possibly can.

## Doors and Gates

Just a reminder that all school gates need to be locked as quickly as possible every morning! Please escort your children to their specific doors and leave the playground as soon as you can. If you need to speak with the adult on the door, then please make an appointment at the main office.

All of the adults are required to start teaching from 8.55am. Lateness in closing doors and locking of gates impacts on learning time, and we know that every seconds counts at Knowsley Lane!
