British Science Week!

Please ensure that your child remains on school hot dinners for the full term as swapping can affect the catering numbers. Please speak to the office team regarding any issues. Thank you.

Please update personal details on Arbor in case of an emergency, school may have to get in touch with you asap! Thank you.

Proud Principal Moment...

Two of our Early Years' pupils have really impressed me this week!

Aria in Nursery for her amazing list that she had written for their upcoming visit to Croxteth Farm; and Thea in Reception for her phonic knowledge, handwriting and sentence structure!

Superstars!
Well done, girls!

Upcoming Personal Learning Goal

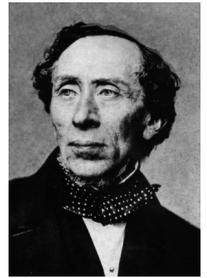

Over the next 2 weeks, the personal learning goals that we will be focusing on are being 'adaptable' and being an excellent 'communicator'.

The key person to represent being adaptable will be Amelia Earhart.

The key person to represent being a great communicator will be Hans Christian Anderson.

It would be great if you could support the children to develop their knowledge of the key people and ask them about what they have learned when we study them in our upcoming assemblies!

Easter Eggstravaganza!

It is coming close to that time of the year again! We will be holding our annual Easter Eggstravaganza competition where the children are welcome to decorate their eggs. There will be a winner from each class!

All decorated eggs need to be in school on Wednesday 6th April, so that staff can set up the hall up ready for parents/visitors to view the eggs on Thursday 7th April.

There are lots of ideas online—but our children's imagination blows us away every, single year!

Looking forward to seeing the entries!

Cross Country Event!

Well done to our children who took part in the cross country event this week and bringing back a top ten place medal!

Please ensure that your child comes to school with the correct

PE kit on the day they have PE.

Thank you.

There is an increasing number of children who are arriving late to school. This can be upsetting to the child and can be disruptive to lessons. Please can you ensure that your child is in school

before 8.50 am. The register closes at 9.00 am, if your child arrives after this time, it will be classed as an unauthorised absence and may lead to a fine.
