

Dear Parents and Carers,

Your child will soon be bringing home a Read Write Inc. sounds tracker sheet (some classes may have taken this home already). Your child's teacher will have updated their sheet and ticked the sounds that your child is confident with. Your child may have some gaps within their sound knowledge, and this will be evident on the sheet as there will be no tick in that box.

We have now put our home learning links on our school website: <https://knowsleylane.knowsley.sch.uk>. Attached is the instruction for how to access these videos. Please consult your child's sheet to see which sound videos they need to practise and access the Virtual Classroom video links on our website.

We will be having our Phonics Screening Check in June for our Year 1s and the Year 2s who did not meet the pass mark the previous year. Supporting your child with this additional learning will help them hugely with their reading confidence, their learning across the curriculum, the PSC test and their Year 2 SATs. We appreciate you for supporting us in helping your child be the best reader they can be.

Kind regards

Miss Burke

Read Write Inc Lead

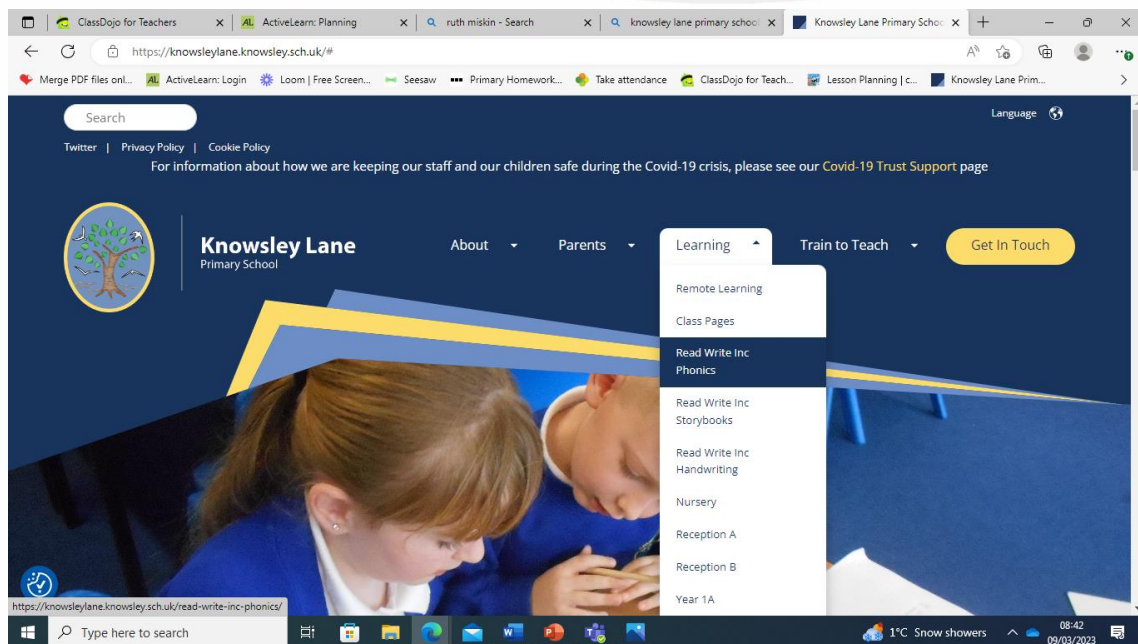

Name _____

This chart shows which Set 2 sounds your child is confident with and which ones they need additional support with. Please consult the chart and choose a sound to focus on with your child. You can access all the RWI Virtual Classroom videos on our school website. Click onto the corresponding link to open the teaching video.

ay	ee	igh	ow	oo	oo

Step 1 – Navigate to our school website (see link on attached letter).

Step 2 – Click on the ‘Learning’ tab at the top and into ‘Read Write Inc Phonics’ from there.

Step 3 – Scroll down the page until you find the set of sounds that your child will be working on. You can find this information on their sounds tracker sheet that they have brought home. You can then click onto the sound that your child needs more practise with and this will open a link to the Virtual Classroom video.

Please practise the below speed sounds with your child for Set 2.

ay	ee	igh
ow	oo	oo
ar	or	air
ir	ou	oy

Now read the words with set 2 sounds.

The screenshot also shows a Windows taskbar at the bottom with various application icons and a system tray showing the date and time as 08:46 on 09/03/2023.
